To create a positive environment at Luther Point Bible Camp, campers and staff should bring clothing that is appropriate for all camp activities. Clothing should avoid having offensive, discriminatory, inappropriate, or drug/alcohol content displayed. Clothing and swimwear must allow participants to have a full range of motion without requiring constant readjustment. The clothing should be comfortable and not be a distraction to the wearer or others during camp activities

## PLEASE DO NOT BRING

- Weapons of any sort, including multi tools and pocketknives
- Lighters/matches
- Drugs or drug paraphernalia
- Alcohol

**“Not Allowed” items will be held in the office and returned at the end of the week.**

We prefer campers to not bring cell phones with them to summer camp. We believe that a week “unplugged” will help them form a deeper relationship with their fellow campers and God. We also understand that many campers and parents have a difficult time going an entire week without hearing from each other. If you feel it necessary to send a cell phone with your camper please let us know at registration and it will be secured in the nurses station. During evening canteen time (roughly 7:30 p.m.) campers will be given a chance to use their cell phones to call or text home only. (No social media etc.)
